#### **Weekly List of Planning Applications**

##### **List of planning applications registered by the Council for the week ending**

**From : - 06/06/2016 To : 10/06/2016**

The Planning Weekly List contains details of planning applications and proposals of application notices registered in the previous week .

#### **Note to Members:**

##### **Proposal of application notices**

A 'proposal of application notice' is a notice that must be submitted to the Council, by the developer, at least 12 weeks before they submit an application for a major development. The notice explains what the proposal is and sets out what pre-application consultation they will carry out with the local community. Please note that at this stage, any comments which the public wish to make on such a notice should be made directly to the applicant or agent, not to the Council. If, however, any of the proposals described on the list as being a proposal of application notice raise key issues that you may wish to be considered during their future assessment, please contact the appropriate team leader/area manager within 10 days of the week-ending date at the appropriate area office .

##### **Planning applications**

If you have any queries on any of the applications contained in the list, please contact the appropriate team leader/area manager within 10 days of the week-ending date at the appropriate office .

Applications identified as 'Delegated' shall be dealt with under these powers unless more than 5 objections are received. In such cases the application will be referred to an appropriate committee. In addition, a request to refer an application to committee should be directed to the area manager/team leader within 10 days of the week-ending date at the appropriate area office . A Member should only request that a team leader or manager consider referring a delegated application to committee if the Member still has concerns about an application after having discussed the matter with the team leader/area manager.

**Note for community councils and members of the public:**

If you wish further information on any planning application included in the list, please contact the case officer dealing with application . Officers can be contacted by phone on 03031231015 or by email [planning@southlanarkshire.gov.uk](mailto:planning@southlanarkshire.gov.uk). Alternatively, you can view the application and associated documents on the Council's website at [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk) <<http://www.southlanarkshire.gov.uk>>

**Commenting on a planning application**

If you wish to comment on a planning application, you can do so by email [planning@southlanarkshire.gov.uk](mailto:planning@southlanarkshire.gov.uk), or in writing to Planning and Building Standards Services, Montrose House, 154 Montrose Crescent, Hamilton ML3 6LB or on the Council's website at [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk) where you can submit comments directly through the application using the 'Search applications' button. Please note that comments can only be submitted via the website for a period of 21 days from when the application is registered. If you wish to make comments after this date, please check with the case officer that the application has not yet been determined . Any comments submitted after this date must be done either by email or letter - you will not be able to use the website.

**Commenting on a proposal of application notice**

If you wish to comment on a 'proposal of application notice' they should be made directly to the applicant or agent, not to the Council . If an application is subsequently submitted to the Council it will again appear on the weekly list and there will be an opportunity to submit comments to the Council at that time.

If you need this information in another language or format, please contact us to discuss how we can best meet your needs.
